About BIET Hyderabad

Bharat Institute of Engineering & Technology (BIET), established in 2001 by Chinta Reddy Madhusudhan Reddy Educational Society (CRMR) under the leadership of Sri Ch. Venugopal Reddy, an eminent educationist with a social conscience and commitment. It has grown in its size and stature over the years, from an initial intake of 240 to 1308 students. BIET is one of the largest Engineering Colleges in Telangana. It offers 6 B.Tech programs, 9 M.Tech programs and 1 MBA program. Bharat Institute of Engineering & Technology (BIET) is NAAC and NBA Accredited Institution with well experienced and highly qualified faculty, State-of-the-art Infrastructure, regular placements and well equipped laboratories.

About the Workshop

Chemoinformatics is the branch of chemistry which uses the computational knowledge and techniques in understanding a wide range of state of art problems in the field of chemistry. It has wide applications ranging from data analysis to drug-discovery. To introduce the new aspects of chemoinformatics to the engineering stream, Bharat Institute of Engineering and Technology, Hyderabad is planning to organize One day Workshop on the “Chemoinformatics and Engineering” on 28th November, 2019. The main focus of the workshop is to introduce the concepts of chemoinformatics and to give

practical knowledge and hands on experience to the participants in this interdisciplinary field.

Contents of the Workshop

1. Methodology and application in Chemoinformatics
2. AI applications in Chemistry and Biology
3. Hands on experience on various Chemoinformatics tools

Outcome of the Workshop

The participants of the workshop will be able to appreciate the applications of computers techniques in understanding the state of art problems in the fields of chemistry and biology.

Resource Person

Dr. U. Purushottam
