Vision

To achieve the Autonomous & University status and spread universal education by inculcating discipline, character and knowledge into the young minds and mould them into enlightened citizens.

Mission

To impart education, in a conducive ambience, as comprehensive as possible, with the support of all the modern technologies and make the students acquire the ability and passion to work wisely, creatively and effectively for the betterment of our society.

Quality Policy

Bharat Institute of Engineering & Technology (BIET), is engaged in imparting quality "Education and Training" in the field of "Engineering and Technology". It aims to be an Institute of Excellence in Technical Education through continual improvement. The institute facilitates faculty and staff to work as a team and update their knowledge and skill to match the industrial and technological development.

Objectives

- Develop a campus which promotes higher learning and research.
- Recruit and retain a diverse faculty of outstanding teacher-scholars with principles and discipline.
- Promote industry - institute interactions
- Expose students to leading Industries and Corporate Houses.
- Foster a harmonious, cordial and tripartite relationship among the Management, faculty and students for their respective growth and for establishing a congenial academic environment in the Institute.

PARENTS ROLES AND RESPONSIBILITIES IN BUILDING STUDENTS FUTURE

1. Induction program is conducted in the college to complete the joining formalities as well as to explain about the college rules regulations facilities academic practices systems and procedures to be followed by the students and parents. Hence it is suggested by every parent to attend the induction program and also to participate actively
2. Parents are suggested to involve in the joining formalities and fill the information such as names contact details address academic details of the student in the admission form as well as in monitoring register
3. We allocate one faculty for every 20 students as mentor for monitoring their attendance , punctuality, discipline and academic performance as well as to guide them through their career path. Mentor may be changed from semester to semester. So every semester parents should collect mentor names from the college such as name and contact number of mentor, Class Incharge and departmental in charge and communicate regularly with them about students regularity, punctuality, academic performance and behaviour in the campus
4. Parents should contact the mentor at least once in a month and get the information about the student. And also read the students remarks periodically by the mentor and sign it
5. Parents must ensure that the students follows the rules and regulations in the college such as discipline, regularity and punctuality. Parents should ensure that students must come to the college in formal dress only i.e formal shirt and pants and formal shoes for BOYS and chudidar dress with dupatta for GIRLS
6. Maintaining 75% and above attendance is mandatory as per JNTUH norms as well as our college academic policy. Hence the parents must ensure that the students is regular in attending the classes
7. Parents must contact the mentor regularly and enquire about attendance % of the students.
If the student has less than 75% of attendance then parent must the college personally and submit an undertaking about the improvement of the students performance
8. Attendance monitoring will be done in the first 15 days from the commencement of the semester and then on monthly basis. Hence if students attendance is less than 75% then parents need to visit the college to give the undertaking after 15 days from the commencement of the semester and later 1 st Friday or Saturday of every month of the semester.
9. As per the JNTU norms maintaining above 75 % attendance is mandatory and also it is a prerequisite for the students academic excellence. Hence we must assist every student to be regular to the college and attend all the classes and lab sessions without fail. But if after all the efforts if students attendance is less than 50% after 2 months from the commencement of the semester his/her name will be removed from the roll list and he/ she shall be detained then itself without waiting till the end of the semester as even after attending all the remaining classes student cannot attain the required 75% of attendance. Hence parents should put all their effort and motivate the students to be regular to the classes or else abide by this procedure
10. If in case student is not able to attend the college on any day, parents should send leave request in writing in student diary at least one day in advance by specifying the reason for the absence signed personally or by the local guardian
11. As a part of academic performance monitoring we conduct Mock test 1 after 4 weeks from the commencement of every semester. For the students who score less than 50% marks in any subject, bridge classes will be conducted for their improvement in that particular subject. As these classes are for the benefit of the students, parents should

- contact the mentor after 4 weeks of the semester commencement, enquire about their wards performance in the mock test and if their student is weak in any subject and recommended for the bridge classes, ensure that their ward attends all the bridge classes without missing even a single class
12. It is the parents responsibility to monitor the academic performance of their student along with the college .Hence the parent must contact mentor after 1st month of every semester exam and enquire about the students results. Once the results are declared by JNTUH parents should confirm with the mentor and personally visit the college to collect the copy of students academic performance report from the mentor or class in charge
 13. If students fails in any subject we conduct remedial classes as an additional support for the failed students to help them and pass them those subjects. Hence parents must ensure that their ward attends all the remedial classes without missing a single class and get the benefit of it
 14. Academic excellence of the students is our prime objective, and to achieve it we put all our best efforts. In this regard we always try ensuring that no student fails in any subject. Similarly we have academic standards in our college according to which no students should have more than 4 backlogs in 1st year and more than 7 backlogs in 2nd and 3rd year exams at any stage during the course or else name of such student will be removed from the roll list and his admission will be cancelled. As these procedures are designed for the academic performance for the academic and career benefit of the students, parents must cooperate by motivating the student to study well or else abide by this procedure of our college
 15. Workshops, seminars, training programs, symposiums etc are organized by the college from time to time for the academic enrichment of the students. Hence the parents should ensure the students enrolls and attends all these programs along with the regular class work
 16. Parents must personally come to the college whenever called by the mentor/ class in charge/college authorities in response to any issue relating to attendance, discipline, academics and training program as per the college rules and regulations
 17. Parents must ensure that all the applicable fees such as tuition fees , exam fees, transport fees, training program fees, Re admission etc will be paid on time as per schedule prescribed by the college.

GUIDELINES FOR MENTORING AND PARENTS COMMUNICATION

A

Ensuring Students Regularity and Attendance and Responsibility of Mentors and class incharges

1. Every day faculty handling first hour and second hour should prepare the list of absent students and provide it to the class I/Cs immediately after their class. Similarly, faculty handling fifth hour i.e, first hour after lunch, should prepare the list of absent students and provide it to the class in charge after the class immediately.
2. Class I/C with the help of mentors should ensure that parents of the absent students in the morning session and also students present in the morning but absent in the afternoon session are informed through phone call, sms, and EMAIL and the communication details should be recorded in the parents communication Register by 3.30pm every day.
3. The Dept. Admin I/C along with the dept. admin committee should verify few registers on daily basis selecting randomly to check whether absentees list is mentioned, classes are made to the parents about their wards absence and parents response details are noted. All registers should be verified by them at least once weekly. Dept. Admin I/C should ensure that parents communication registers are sent to admin. Council for verification every week in staggered pattern such that all the registers are sent for verification every fortnight.
4. Admin console should verify each and every register within a fortnight selecting randomly a few on weekly basis to check whether absentees list is mentioned, calls are made to the parents about their wards absentees and parents response, details, by randomly calling one out of 5 absent students. Admin council should enter their remarks and sign at the end of last entry with stamp and return the register to the concerned department.
5. If a student absent regularly for 3 days even after informing the parents, then the mentor should call the parents and ask them to come to the college and meet the class in charge and the mentor personally. Undertaking should be taken from the parents for ensuring the students regularity the college as well as improvement in academic performance. Undertaking should be filled in the students personal file. Parents signature should be taken in the parents communication register against entry of their personal visit to the college.
6. If parents don't respond, even after pursuing constantly for 3 more days, i.e, 6 days from the date of absence, mentor should send registered post to the parent and also provide the details of such student to the admin council for further action in writing. Admin council should again contact parents through phone, sms, EMAIL and ask them to meet immediately.
7. If parents don't respond, after waiting for 1 week, the admin council should send a person from college to meet the parent, update them about the student absenteeism, his academic performance and get an undertaking signed by them to ensure improvement of students regularity.
8. If the students' regularity and performance doesn't improve, the name of such student can be removed from the roll list.
9. Fortnightly attendance statement must be prepared for every class by the class I/C in the approved standard format which should be signed by every subject faculty, class I/C, Academic I/C and Admin I/C OF THE DEPT. Two copies should be sent to admin council out of which one should be return to the department after certification and the other should be filled in the admin council attendance file.

10. After 15 days of commitment of semester and the end of every month after the attendance computation, mentor should send letters to all the parents stating students attendance and mock test by mid marks. Mentors should personally call the parents of the students with less than 75 % attendance and ask them to meet personally and to give an undertaking for students regularly.
11. At Least once a month, a registered post should be sent to the parent about student attendance, mock test marks , mid marks, etc. and the acknowledgement must be pasted at the space provided on the back side of the final performance sheet of every academic year by semester.
12. After 8 weeks from the commencement of semester, the attendance of any student(less than 40% on medical grounds) such students should be detained. For detaining such students, class in charge should submit all the details to dean, admin such as attendance report, attendance registers, all the proofs of regular communication made to the parents and their undertakings, if any, for through verification, then only students should be detained.
13. Department should ensure the attendance of all the students. Even after consistent efforts, if any student is short of attendance i.e <75% (<65% on medical grounds), such students should be compulsorily detained.
14. It is the primary responsibility of every mentor to collect the correct details about every student such as communication details of parents, student, local guardian and academic performance details, for which student mentor register, admission form as well as the xerox copies of marks memos can be referred to.
15. Student personal file should be created for every student immediately after joining the college which should contain the following documents:

- a) Photo copies of marks memos(ssc and inter/ diploma)
- b) Photo copy of allotment letter and EAMCET/ECET rank card.
- c) Any other certificates of student achievement
- d) Copies of parents undertakings/ letters
- e) Acknowledgement of letters sent to parents.
- f) Any other reports about the students.

B .Improvement of student's Academic Performance, Mark's and Measures to be taken

1. Within month from the admission ,the class I/C should prepare a report about the student's name, roll no, previous pass % for SSC, Inter, EAMCET rank, previous medium of study, Background(Urban/Rural) etc. This record should be maintained by the Department as well as a copy should be forwarded to the Academic Council.
2. For constant monitoring of the students academic performance & improvement ,student academic record such as SSC, Inter marks should be compared With B.Tech I,II,III,IV semester wise marks. For any student whose academic performances is falling from the previous record, immediate counseling should be done by the Mentor & Class I/C. The should be brought to notice of parents as well as Dean Academics.
3. Within 1st one month of the semester, class I/C along with the mentors should identify the students with the poor communication skills and arrange special communication skills classes with the help of English department. Similarly based on performance in the First mock test ,Faculty should identify the underperforming students and organize bridge class for their improvement and to achieve better results in semester examinations.

4. Every department should categorize all the subjects such as easy moderate & difficult and list should be submitted to the academic council.
5. All the concerned faculty should ensure the minimum of pass percent as follows:
 - a. 85% for easy subject
 - b. 75% for moderate subject and
 - c. 65% for difficult subjects.
 - d. 5% concession in the minimum pass percent can be considered for the
 - e. departments which gets the ;last ranker students
6. If results in any subject are less than minimum percent as mentioned above than the faculty should be removed from the college, also the information about the removal of such faculty along with the reason should be circulated among the department faculty members.
7. For the improvement of the students academic performance, every department should conduct mock test/mid exam every month i.e after completion of one unit in syllabus. Initially, a mock test should be conducted with in four weeks in the unit 1, to identify weak student subject wise. Performance of the student should be monitored in the mock test and mid exams and students should be counseled for the further improvement
8. Bridge classes should be conducted by the same faculty for underperforming students based on their performance in the mock test and remedial classes should be conducted by the senior faculty of the department for the subjects in which the final exam result is poor
9. Timetable should be displayed for the remedial classes and classes should commence immediately 2 days after the announcement of the semester results. It is the responsibility of the academic I/C to prepare the timetables for the bridge and remedial classes and responsibility of the admin in charge and class in charge to ensure students attendance for these classes. 100% attendance is mandatory for the bridge classes and remedial classes . If not such students can be sent out of the college by issuing TC
10. Any student who is having more than 2 backlogs, parents should be called for giving an undertaking about students academic improvement as well as regularity as in regular and remedial classes..
11. Every faculty should ensure that the students should perform well consistently and get marks in internal exams as well as external exams.
12. If still the students' performance does not improve ,then the student name can be removed from the roll list.
13. Mentor and Class I/C should ensure that student's result ,attendance, Mid marks and Backlogs, If any ,should be communicated to the parents through register post and acknowledgement should be pasted in the concerned students mentoring report ,for further verification. Mentor's can also send an SMS to the parents along with the letters.

14. If any students have more than four backlogs in 1 st year and more than 7 backlogs in 2nd and 3 rd year, such students names should be removed from the roll list and TC must be issued.
15. Due to the vindictive attitude of any faculty or any other reason, student should not be penalized and fair marks should be allotted in the internals .Hence to ensure these subject wise internal marks should be verified by the Dept. Academic Incharge and Academic council before uploading it on the university website .Academic council should identify the abnormalities such as very less marks to any student or very high marks to all the students verify the genuinity and ask the concerned faculty for explanation.

They should be brought to notice of parents as well as Dean Academics.
3. Within 1st one month of the semester, class I/C along with the mentors should identify the students with the poor communication skills and arrange special communication skills classes with the help of English department. Similarly based on performance in the First mock test, Faculty should identify the underperforming students and organize bridge class for their improvement and to achieve better results in semester examinations.
4. Every department should categorize all the subjects such as easy moderate & difficult and list should be submitted to the academic council.
5. All the concerned faculty should ensure the minimum of pass percent as follows:
85% for easy subject
75% for moderate subject and
65% for difficult subjects.
5% concession in the minimum pass percent can be considered for the departments which gets the ;last ranker students
6. If results in any subject are less than minimum percent as mentioned above than the faculty should be removed from the college, also the information about the removal of such faculty along with the reason should be circulated among the department faculty members.
7. For the improvement of the students academic performance, every department should conduct mock test/mid exam every month i.e after completion of one unit in syllabus. Initially, a mock test should be conducted within four weeks in the unit 1, to identify weak student subject wise. Performance of the student should be monitored in the mock test and mid exams and students should be counseled for the further improvement

8. Bridge classes should be conducted by the same faculty for underperforming students based on their performance in the mock test and remedial classes should be conducted by the senior faculty of the department for the subjects in which the final exam result is poor
9. Timetable should be displayed for the remedial classes and classes should commence immediately 2 days after the announcement of the semester results. It is the responsibility of the academic I/C to prepare the timetables for the bridge and remedial classes and responsibility of the admin in charge and class in charge to ensure students attendance for these classes.100% attendance is mandatory for the bridge classes and remedial classes . If not such students can be sent out of the college by issuing TC
10. Any student who is having more than 2 backlogs, parents should be called for giving an undertaking about students academic improvement as well as regularity as in regular and remedial classes..
11. Every faculty should ensure that the students should perform well consistently and get marks in internal exams as well as external exams.
12. If still the students' performance does not improve, then the student name can be removed from the roll list.
13. Mentor and Class I/C should ensure that student's result, attendance, mid marks and Backlogs, If any, should be communicated to the parents through register post and acknowledgement should be pasted in the concerned students mentoring report, for further verification. Mentor's can also send an SMS to the parents along with the letters.
14. If any students have more than four backlogs in 1 st year and more than 7 backlogs in 2nd and 3 rd years, such students names should be removed from the roll list and TC must be issued.
15. Due to the vindictive attitude of any faculty or any other reason, student should not be penalized and fair marks should be allotted in the internals .Hence to ensure these subject wise internal marks should be verified by the Dept. Academic Incharge and Academic council before uploading it on the university website .Academic council should identify the abnormalities such as very less marks to any student or very high marks to all the students verify the genuinity and ask the concerned faculty for explanation.
