Department Activities

Vision of the Institute

To achieve the autonomous & university status and spread universal education by inculcating discipline, Character and knowledge into the young minds and mould them into enlightened citizens.

Mission of the Institute

Our mission is to impart education, in a conducive ambience, as comprehensive as possible, with the support of all the modern technologies and make the students acquire the ability and passion to work Wisely creatively and effectively for the betterment of our society.

Vision of the Department

To establish a community of lifelong learners and industry leaders while building an innovative, ethical, and internationally renowned center of excellence in artificial intelligence and machine learning.

Mission of the Department

Our goal is to give students a life-changing educational experience by giving them the ethical principles, information, and abilities they need to succeed in the quickly developing disciplines of machine learning and artificial intelligence.In addition to supporting research and development that tackles pressing issues and advances society, we are dedicated to cultivating a culture of creativity, cooperation, and diversity.

CLUB ACTIVITIES

LANGUAGE MOSAIC INTERNATIONAL MOTHER LANGUAGE DAY

The event aimed to celebrate linguistic diversity and encourage students to express themselves in their mother tongue through literary compositions.

T-10 TOURNAMENT

On 24th February 2025, as part of our Sports Club activities, we planned and organized a cricket tournament for the M-Block students, which was held from March 3rd to March 6th.

INTERNATIONAL WOMEN'S DAY

The event began with a brief introduction to International Women's Day by the event organizers, who highlighted the importance of this day in raising awareness about women's rights and issues such as gender inequality, pay disparity, and violence against women.

CLUB ACTIVITIES

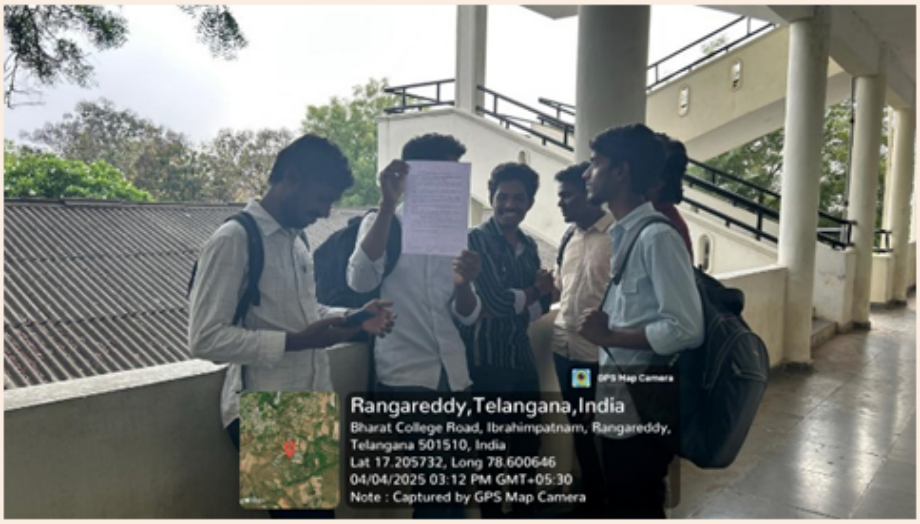
UGADI CELEBRATION

Ugadi, the New Year's Day of the South Indian states, was celebrated with pomp and rigour by observing the following events:-

·Rangoli Making
·Pachadi Making
·Singing, and
·Dancing

SCAVENGER HUNT

The Treasure Hunt Club organized an engaging and intellectually stimulating on-campus treasure hunt event aimed at enhancing teamwork, problem-solving skills, logical reasoning, and exploration of the college environment among students.



BGMI TOURNAMENT

The BGMI Tournament held from 22nd to 25th April 2025 was a grand success. It not only promoted esports culture but also fostered a sense of community among students. The support from sponsors and college management significantly contributed to its success.

STUDENTS' ACHIEVEMENTS

Certificate of Participation

THIS IS TO CERTIFY THAT

Ghatti Venkata Padma Sai Anand

attended the 11th International Aegean Congress on Innovation Technologies & Engineering held online and in-person on April 4-6, 2025 / Izmir, Türkiye organised by Institute of Economic Development and Social Research with an oral presentation entitled

FLUENTO:AI-POWERED EARLY DETECTION FOR DYSLEXIA

Certificate of Participation

THIS IS TO CERTIFY THAT

Sathwik Babu Narahari

attended the 11th International Aegean Congress on Innovation Technologies & Engineering held online and in-person on April 4-6, 2025 / Izmir, Türkiye organised by Institute of Economic Development and Social Research with an oral presentation entitled

FLUENTO:AI-POWERED EARLY DETECTION FOR DYSLEXIA

Assoc. Prof. Dr. Mehmet Emin KALGI
Head of Organizing Committee

Certificate of Participation

DEPARTMENT ACTIVITIES

HACKATHON

To foster innovation and creativity by bringing together individuals or teams to collaboratively develop practical and original solutions to real-world problems within a limited time. It aims to enhance participants' technical and problem-solving skills, encourage rapid prototyping, and promote teamwork and networking. Hackathons also serve as a platform for showcasing talent, gaining mentorship, and potentially transforming innovative ideas into scalable projects or startups.

The Institution Innovation Council (IIC) and Department of Computer Science and Engineering (AI&ML), Bharat Institute of Engineering and Technology (BIET), Mangalpally, Hyderabad organized Intra Instituttional Innovation Competetion (Innovatex Hackathon 2025) for the students on 28th March 2025 in offline mode. Almost 75 B.Tech. CSE & CSE(AI&ML) Students attended this event in offline mode. This event was very useful for the students as it provided a platform for the students to demonstrate their projects and receive feedback about their projects and demonstrations. A total of 75 students from all branches of BIET participated in this event as batches.
