**BUCKET-GANESH-NIMARJANAM:**

This program was designed to impart eco-friendly thoughts among the students of Bharat Institute of Engineering and Technology and demonstrate the concept of pollution free festivals to the society at large. To encourage student's participation, the event aimed at setting an Asia Book of Records for Bucket Nimarjanam from BIET. About 60 teams with 120 students (two students per team) participated have registered to take part in the event. On 18/9/2018, 60 clay idols of Ganesha were worshipped as per Hindu tradition. Many staff members and students along with NSS student co-coordinators were present during the Ganesh pooja. The 60 idols were taken as a procession within the college premises before the idols were sunk in the NA block water tank. The entire event was recorded and mailed to Asia Book of Records for validation and certificate of achievement.

**NATIONAL SERVICE SCHEME**

NSS Stands for National Service Scheme. The main objective of the National Service Scheme as envisaged originally was service to the community, offered while undergoing instruction, in an educational institution. It was sought to arouse the social consciousness of students and provide them with the opportunity to work with the people around the educational campuses creatively and constructively and to put the education they received to concrete social use. It has been felt that the primary aim of the scheme is to enable the students to upgrade their personality and experience through community service. Every year 24th September is celebrated as NSS Day. The motto, i.e., the watchword of the NSS is “Not Me But You”. This expresses the essence of democratic living and upholds the need for selfless service and appreciation of the other man’s point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of the society as a whole. BHARAT INSTITUTE OF ENGINEERING AND TECHNOLOGY has been in the forefront of NSS activities. The impetus is to give the students best educational experience in order to make them responsible and productive citizens of the country. It has undertaken many socially and environmentally viable volunteers which are very much helpful to the mankind; service is the motto of BIET-NSS. The Principal, Dr.E.Venkata Reddy is the Chairman of BIET-NSS Unit with Mr. T.Ramachandru is the NSS Programme Officer.

**AIMS AND OBJECTIVES**

1. Understand the community in which they work.
2. Understand themselves in relation to their community.
3. Identify the needs and problems of the community and involve them in problem solving process.
4. Develop among themselves a sense of social and civic responsibility.
5. Utilize their knowledge in finding practical solutions to individual and community problems.
6. Develop competence required for group living and sharing of responsibilities.
7. Gain skills in mobilizing community participation.

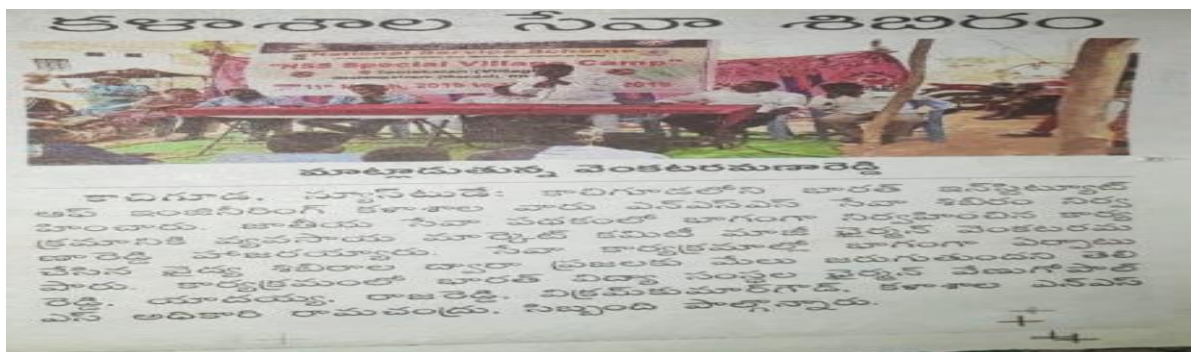

8. Acquire leadership qualities and democratic attitude.
9. Develop capacity to meet emergencies and natural disasters
10. Practice national integration and social harmony.

We have an effervescent NSS unit which has been established with a rudimentary objective of providing a dais for the interested students to partake in social work during their free time.

<b>No. of Participants</b>	<b>235</b>

In this academic year role play on “Women empowerment & self-defense”, a program was conducted in the BIET auditorium by National Service Scheme cell and Women Grievance cell. Women Grievance cell is collaborated along with N.S.S. for handling the activities which employ services by N.S.S. team. In our institution there is no gender bias and has zero tolerance towards any activities that provoke or promote any type of harassment including those towards women students. All steps are taken to have absolute safety for women. The institution gives prime importance in providing an environment where men and women can work together with a sense of personal security and dignity. For this purpose, the institute has developed **Annual gender sensitization action plan** which is executed by the following steps:

- Formation of Gender Sensitisation Unit
- Campus safety measures
- Gender sensitization programmes
- Sexual harassment committee
- Counselling
- Suggestion boxes have been placed prominently near Managing Director and Principal rooms and students are encouraged to utilize the same

NSS Stands for National Service Scheme. The main objective of the National Service Scheme as envisaged originally was service to the community, offered while undergoing instruction, in an educational institution. It was sought to arouse the social consciousness of students and provide them with the opportunity to work with the people around the educational campuses creatively and constructively and to put the education they received to concrete social use. It has been felt that the primary aim of the scheme is to enable the students to upgrade their personality and experience through community service. Every year 24th September is celebrated as NSS Day. The motto, i.e., the watchword of the NSS is “Not Me But You”. This expresses the essence of democratic living and upholds the need for selfless service and appreciation of the other man’s point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of the society as a whole. BHARAT INSTITUTE OF ENGINEERING AND TECHNOLOGY has been in the forefront of NSS activities. The impetus is to give the students best educational experience in order to make them responsible and productive citizens of the country. All the department students and faculty along with Directors of BIET have actively participated in the event to do cleaning the campus from main block to new building, trees planted at various places in the campus and make the program huge successful.
