Bharat Institute of Engineering and Technology was established by Chinta Reddy Madhusudhan Reddy Educational Society (CHMR) in the year 2001. BIET campus is situated in lush green and scenic surroundings, 18 km from L. B. Nagar, Hyderabad and 3 km from Outer Ring Road.

Our College is one among the top raising Engineering Colleges of Telangana. Regular Industrial visits are being arranged by the college to broaden the practical out-look of the students.

As a part of this program it is proposed to arrange a visit to your esteemed organization (400KV SS, Mamidipally) for our final Year EEE students.

We request you to permit 80 students and 04 faculty members of our institution to visit your organization (400KV SS, Mamidipally) on 5th August 2017. Your timely confirmation will be highly appreciated and will facilitate us to plan the visit in detail.

Anticipating for your positive reply,

Subject : Summer Internship and Placement

Dear Sir,

ACS- India is pleased to announce Internship in the field of Industrial Automation to engineering students at our Pune Head office. The internship will focus on key Automation modules like ROBOT used in industries for manufacturing , DCS and Plant Automation.

The internship duration would be for 4 -5 weeks for students who are currently pursuing their Degree or Diploma or Masters in colleges .The internship would be held in the months of March to Aug 2019. Students from Electrical/Electronics / Mechanical / Instrumentation/ Chemical branches can participate.

- Leading Robot manufacturing company is sponsoring a Grand **First Prize of Rs 1 lakh** to the most brilliant and outstanding student . The college would be getting a trophy.
- **Top10 students** will get an opportunity to get placed in core companies with excellent salary.

This internship aims to bridge the gap between a students college studies and actual industry concepts. So there will be a definitive change in the knowledge and skill sets after the internship.

We can assist interested registered student to locate and find hostel, if required.

The interested students need to fill out the Registration form on our website www.acs-india.com The last date of registration is 28 Feb 2019

Kindly display this letter on the notice board and circulate the copy in other concerned departments in your collage.

Good afternoon sir

Thank you for accepting our request for the industrial visit of our students to your esteemed organisation. In this regard we like to plan for the visit preferably on 31st of October 2018. As per our conversation we would like to send 60 first year students from ECE, ME and CE branches. We are grateful that our students are getting an opportunity and exposure to the advanced technologies. Accordingly we would like to plan their visit to the following centres.

- 1) Centre for Automotive Energy Materials (CAEM)
- 2) Centre for Solar Energy Materials (CSEM)
- 3) Centre for Engineered Coatings (CEC)
- 4) Centre for Laser Processing of Materials (CLPM)
- 5) Centre for Fuel Cell Technology (CFCT)
- 6) Centre for Materials, Characterization and Testing (CMCT)

Hope to get a positive response from ARCI which would be beneficial to our students

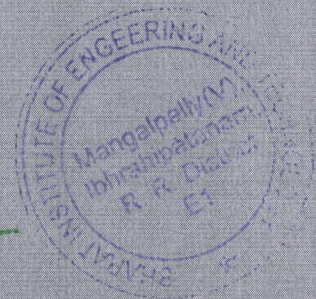

Thank you

Subject:- Permission for Industrial Visit of students of IV yr II semester (120 Nos.) & two faculties from ECE deptt., Bharat Institute of Engg. & Technology, at National Remote Sensing Centre ,Balanagar,Hyderabad.

Dear Sir

With great pleasure I take this opportunity to inform you that ECE department of Bharat Institute of Engineering and Technology would like to seek permission for an industrial visit at the National Remote Sensing Centre, Balanagar, Hyderabad. We at BIET are having a student chapter of IETE and IEEE under which we organize a series of activities related to industry institute interaction. This industrial visit aims to make the students aware of the current technologies in the field of Satellite Communication and Remote Sensing which is practically applicable in the industry.

Bharat Institute of Engineering & Technology (BIET), established in 2001 by Chinta Reddy Madhusudhan Reddy Educational Society (CRMR) under the leadership of Sri Ch. Dear Mr. S. M. Raw

Greetings from ELEATION!!

ELEATION is a CAE firm with the objective of providing cost effective & end-to-end solution to the Technology Driven Business in the field of Engineering. ELEATION has trained students from prominent college in Pune, Mumbai, Nashik, Indore, Aurangabad, Chennai, Coimbatore and other parts of India. ELEATION is proud sponsor of SAEINDIA BAJA and BAJA Teams since 2016. We are officially associated with SAEINDIA BAJA from 2012 till date, working on Static events, Dynamic events and Technical Inspection events as lead judges. ELEATION is also associated with 150+ teams globally which includes teams from SAEINDIA BAJA, SAEINDIA SUPRA, and SAE INTERNATIONAL for technical support.

We are pleased to announce that we have started with Internship Drive for the year 2019.

ELEATION is providing FREE Training and Internship to students of Second, Third and Fourth Year Mechanical (Mechanical, Automobile, Production) and Civil Engineering.

Following is the process for the Internship Drive:

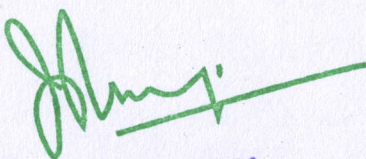

- **STEP 1: Introductory Session:** Which would include a Presentation video of 30 minutes explaining the Internship Process.
- **STEP 2: Internship Test:** An Online test will be conducted for the interested students.
- **STEP 3: Results:** Based on the test the result of the students will be shared on the same day.

INTRODUCTORY SESSION:

- The presentation would include:
- Introduction of CAE
- Internship Process
- Training Process

INTERNSHIP TEST:

- A Test Link will be shared through which students can appear for the test.

PRINCIPAL
