## **ULTIMATE GUIDE TO COMPETITIVE EXAM SUCCESS**

20/07/2018

### **Event Summary:**

To enhance academia interactions and provide quality training, a Guidance for Competitive Examinations program was organized for 2nd, 3rd, and 4th-year engineering students. The initiative aimed to equip students with essential skills to improve employability and excel in the corporate world. More than 313 students joined the program, reflecting its wide acceptance and impact.

### **Program Overview**

The program focused on exam strategies, time management, and subject-specific guidance. Industry associates and faculty collaborated to provide comprehensive training and real-world insights.

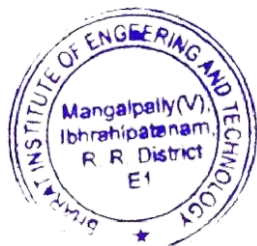

### **Key Highlights**

- Expert-led sessions on exam strategies.
- Training in aptitude, communication, and technical skills.
- Mock tests and performance analysis.
- Industry-driven insights for career alignment.

### **Outcome and Impact**

The program boosted students' confidence, problem-solving abilities, and industry awareness, making them more competitive in the job market.

This initiative successfully bridged the gap between academia and industry, providing students with the necessary skills for career success.

**Date:** 21st September 2018

**Number of Participants:** 222

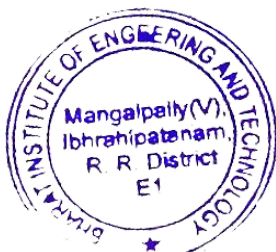

**Resource Person:** Mr. T.P. Karam

- Ex-seviceman with over 20 years of experience as an Instructor
- Qualifications : Graduate with certification courses in soft skills
- Area of Expertise :Interview Techniques
- Any Other: Interview Technique Expert

A seminar on "Ace the UPSC: A Complete Guide to Your Exam Journey" was conducted on 21st September 2018, with an enthusiastic participation of 222 students. The session aimed to provide aspiring civil servants with a thorough understanding of the UPSC examination process and effective preparation strategies.

Key topics covered included the UPSC exam pattern, syllabus breakdown, subject-wise preparation techniques, time management, answer-writing skills, the importance of current affairs, and recommended study resources. The session also highlighted the significance of perseverance, discipline, and strategic planning for success in the civil services examination.

The interactive seminar allowed students to ask questions, clarify doubts, and gain insights into proven methods for tackling the exam efficiently. The event was highly beneficial, equipping participants with the knowledge and confidence needed to embark on their UPSC journey. Positive feedback from attendees underscored the seminar's success in guiding future civil service aspirants.

**Event Summary:** An Interactive Session on Different Aspects of the Interview Process was organized for CSE 3<sup>rd</sup> Year students to equip them with essential skills and insights required to excel in job interviews. The session aimed to bridge the gap between academic learning and professional expectations, helping students enhance their confidence and preparedness.

### **Event Details**

- Date: 27/02/2019
- Venue: BIET Auditorium
- Guest Speaker: Kamal Prabha, Director of Testme and Hireme
- Participants: 2nd, 3rd, and 4th-year engineering students
- Number of Attendees: 153

### **Key Highlights**

- Understanding the interview process and different types of interviews.
- Importance of body language, communication skills, and personal branding.
- Common interview questions and effective answering techniques.
- Strategies for handling stress and tricky interview situations.
- Mock interviews and interactive discussions with real-time feedback.

### **Impact and Takeaways**

- Students gained practical knowledge of interview expectations.
- Improved confidence and self-presentation skills.
- Awareness of common mistakes and how to avoid them.
- Exposure to real-world industry insights from an experienced professional.

### **5. Conclusion**

The interactive session proved to be an invaluable learning experience, preparing students for successful job interviews. Such initiatives play a crucial role in enhancing students' employability and professional readiness. Future sessions will continue to provide guidance and industry-relevant expertise

The event “Leveraging SAP for Business Excellence” was organized to create awareness among students and professionals about the significance of SAP in modern business operations. The session aimed to provide insights into SAP’s functionalities, applications, and its role in driving business efficiency and digital transformation.

## Event Details

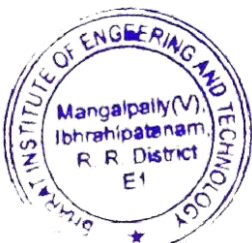

- Date: 29/01/2019
- Venue: BIET Auditorium
- Speaker: Mr. Samarth Sawaan
- Participants: Students of CSE, Mechanical, CSE, ECE, EEE
- Number of Attendees: 155

## Key Highlights

- Introduction to SAP and its impact on global industries.
- Core SAP Modules such as Finance (SAP FICO), Supply Chain (SAP SCM), and Human Resources (SAP HR).
- Role of SAP in Digital Transformation and automation of business processes.
- Career Opportunities in SAP for aspiring professionals.
- Live Demonstrations & Case Studies showcasing real-world SAP applications.

## 4. Impact and Takeaways

- Participants gained a fundamental understanding of SAP and its industry relevance.
- Awareness of career pathways and certifications in SAP.
- Insights into how businesses leverage SAP for efficiency and growth.
- Exposure to real-time SAP applications and tools used in enterprises.

Dear Subramani Phillip Samuel,

Greetings from Bharat Institute of Engineering & Technology!!

Refer telecon of date on subject.

As requested, we would invite you to address our student on the "Importance of SAP for building Careers" on 29th Jan 2019 at our college.

Appreciate your early confirmation on the same.

Thanks & Regards,

S M Raw

**Maruti Prabhakar** <maruti@risesharp.com> Mon, Dec 31, 2018 at 9:17 AM  
To: placements@biet.ac.in

Dear Mr. Maheshwar Raw,

Greetings from RiseSharp.

As discussed, our CEO Mr. Vasu Reddy will be visiting India from 29<sup>th</sup> of December 2018 to 11<sup>th</sup> of January 2019. He has a passion to interact with the graduates and mentor them to **"Successful Career paths"**.

In this context, I would like to know the feasibility of arranging a seminar with your students between 2<sup>nd</sup> January to 11<sup>th</sup> of January 2019

(excluding 7<sup>th</sup> & 8<sup>th</sup> of January) on topics -

### 1) Experience Comes in All Shapes and Sizes.

Mr. Vasu pursued education both in the Indian and Western worlds. He has a first hand experience of the challenges faced by Indian students when they compete globally. One critical factor Indian students need to focus on priority is "building experiences in their profiles" while studying.

He is of the strong opinion that educational Institutes in India do provide opportunities for the gaining experiences. The focus of the talk would be to identify such opportunities, by the student, and connecting them to the bigger picture.

### 2) Entrepreneurship.

Mr. Vasu is a successful serial entrepreneur and a regular guest speaker at colleges on how to gain valuable experience while in college and how to transition from college to career successfully.

Brief profile of Mr. Vasu Reddy,

**Vasu Reddy**

Co-Founder & CEO

Most recently, Vasu founded and built SpanOne in US, and its FirstReach Program, with the simple goal of helping high school students achieve their college goals.

Prior to SpanOne, Vasu spearheaded a strategic transformation of a \$300M digital business at Dex Media (Thryv). Previously, Vasu founded an on-demand talent management company, Boniva Software. He served as CEO from its inception in 2000 until it was acquired by SSA Global (Infor) in 2005.

*Vattikambala*

Principal  
Bharat Institute of Engg. and Tech  
Mangalpally(V), Ibrahimpatnam(M)  
Ranga Reddy (Dist)-Telangana-501510

09/01/2019

BHARAT INSTITUTE OF ENGINEERING AND TECHNOLOGY Mail - Request for a Seminar with your students.

Before founding Boniva Software, Vasu worked at Lucent Technologies and Intel Corporation in the areas of corporate strategy, mergers and acquisitions, and financial planning.

Vasu obtained an MBA from Columbia University, an MS in Computer Science from Stevens Institute of Technology, a BE in Mechanical Engineering from Shivaji University, and a Diploma in Mechanical Engineering from Government Polytechnic College in Warangal.

Vasu is a parent of three children...UC Berkeley graduate, Stanford University student, and a BASIS Independent Silicon Valley student. He strongly believes that a good education, coupled with early career guidance, can make a huge difference in the lives of today's youth.

Looking forward to hear from you

Dear Prabhakar,  
Greetings from Bharat Institute of Engineering and Technology !!

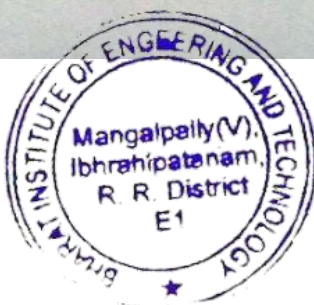

Thank you for the initiative taken at your end in arranging a Mentor Talk for the benefit of our students.

We can have this program on 8th January 2019 at 11:30 AM in our premises.

Please confirm the above for making necessary arrangements and inform students accordingly

Respected Sir, ( Mr.S.Mahesshwar )

Thank you for the courtesy extended to me during my visit to your office.

Further to our discussion please find below the benefits you draw by deploying RiseSharp at your institution.

Successful Management of Campus placements has been a mission critical in the success of higher educational institutions. We understand the amount of stress and resources (time, money and energy) that goes in the back end for producing fruitful outcomes, specially in a volatile atmosphere that we are in today. RiseSharp works towards building an ecosystem that -

- 1) Positively influence your students and help them achieve greater positions in their career.
- 2) Improve your network.
- 3) Enhance your brand value.
- 4) Gain Visibility.

RiseSharp empowers you to -

### **Mentor your students towards a successful Career path.**

Career advisory, is a highly personalised process as it involves understanding the personal aspirations and motivations of a student and develop clear and well thought out career path for a student through joint discussions.

Higher education institutes, with a vision on future, are strategically moving to " Career Advisory" , the next level in placements and are strengthening their relationship with their students and alumni by providing them with 360-degree feedback which helps the student gain good insights into their self and unleash their potential.

#### **a) Resources for a Successful Career Planning.**

Checklist – How to Guides – Instructional Videos – Online Workshops / Events.

#### **b) Assessments to Improve Self Awareness**

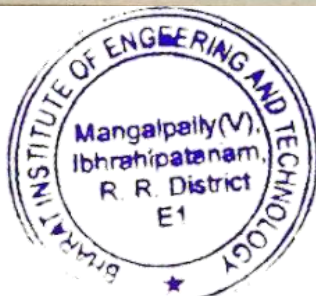

Interests - Values - Skills - Competency - identify the areas of improvement – Chalk out an action plan for improvement.

#### **c) Career Mentoring**

Understand student aspirations — Assess the student on Job Readiness – Develop personalised Career Plans - Review & Mentor.

#### **d) Create a Power packed profile**

<https://mail.google.com/mail/u/0?ik=74d7bf6584&view=pt&search=all&permthid=thread-f%3A1615838634260374080&simpl=msg-f%3A1615838634260374080> 1/2

Personal Profile - Academic Record – Develop their Resume - Faculty Recommendations – Showcase their Portfolio ( Achievements with Supporting Proofs uploaded)

### Communicate with ease.

Define your personalised standard templates of communication – Update your students through Group Emailing / Personal Mailers – Structure student and recruiters appointments with the Placement Office – Maintain record of your interactions.

### Establish your Campus Job Board

Post & manage internships - jobs – Allow students apply online — Automate the student shortlisting criteria – - Maintain record of all job postings – Recruiters -Student Applications.

### Build your network

Respond to the requirements quickly – Professionalise your approach towards recruiters - Maintain database of companies – Research Industries – Research Career Paths - Perform Domain Analysis – Scan external environment - Identify and Invite new employers.

### Automated Reports

Come out of the clutter of paper work and countless excel sheets/ data entry. Generate your personalised reports with the click of a button.

Branch wise details of students for available for internships – placements – Students already placed – Number of opportunities provided per branch / student. – Performance students

### Placement Analytics

Summary of Students provided with Internships – Placements - Branch wise offers – Student wise offers – Recruiters for the season – Company wise Placed students - Job roles – CTC mapping – HR – Feedback – Track recruiters / jobs from previous years - Analyse YOY performance of Placements department.

### Tools and Templates

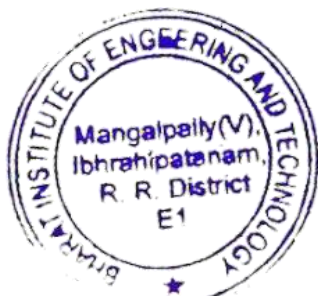

- 1) Document Locker
- 2) Interview Tracker
- 3) Reference letter Templates
- 4) Cover letter Templates

Experience new generation placement management solution from RiseSharp.

The event “Pathway to Success: Navigating Your Career Journey” was organized to guide students in making informed career decisions and preparing for future challenges. The session focused on career planning, skill development, and industry expectations to help students build a successful professional journey.

## Event Details

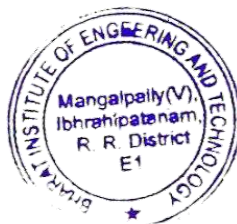

- Date: 08/01/2019
- Venue: BIET Auditorium
- Speaker: Vaasu Reddy, Co-founder & CEO Rishesharp
- Participants: Students of 3<sup>rd</sup> and 4<sup>th</sup> Year of ECE, CSE, Mechanical, EEE
- Number of Attendees: 195

## Key Highlights

- Understanding career options and industry trends.
- Essential skills for career success, including communication, leadership, and problem-solving.
- Resume building and interview preparation strategies.
- The importance of networking and internships in career growth.
- Interactive Q&A session to address students' queries.

## Impact and Takeaways

- Students gained clarity on career choices and future opportunities.
- Enhanced understanding of skills required for professional success.
- Practical tips on resume writing and interview techniques.

Maduri Krishna Chaitanya  
Security Researcher & Cyber Forensics Investigator  
Phone No: +91-9533747913  
Chaitanya1998@gmail.com  
Hyderabad

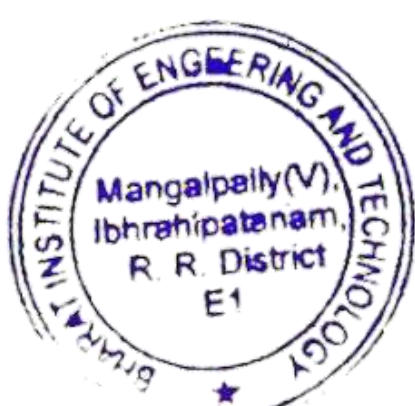

**Mr. Krishna Chaitanya**, An independent security researcher with expertise in feeds of Ethical Hacking, Vulnerability Assessment and Penetration Testing & Cyber Crime Forensic Investigator and Consultant to various corporate company's.

He has been assisting for **Telangana State Police Academy** and Various Police Department across India and being invited as **Guest Lecturer** in different colleges for Training and workshop on Ethical Hacking, Cyber Crime Investigation and Internet Security.

Has knowledge on various Penetration Testing methodologies and Tools, Trained over 2500+ students across India. Provide training on Ethical Hacking and Penetration Testing. He Work of bringing awareness in cyber world about internet crimes & fraud.

#### ADVANCED DIGITAL FORENSICS

- The Advanced Digital Forensics focuses on the entire investigative process, from the very beginning through the conclusion and determination of 'who did it. Adequate knowledge on Digital Forensics which can drive me to investigate typical cybercrimes. Handling incident response and perform analysis to trace out the foot prints.
- Develop an investigative process for the digital forensic investigation
- Understanding methods of focusing investigations through analysis of multiple evidence sources
- Effectively prepare for incident response of both victim and suspect systems, including understanding the importance of network reconnaissance and network traffic analysis
- Identify sources of evidentiary value in various evidence sources including network logs, network traffic, volatile data and through disk forensics
- Identify common areas of malicious software activity and characteristics of various types of malicious software files
- Confidently perform live response in intrusion investigation scenarios
- Recovering data from damaged or erased hard drives.
- Writing and reviewing investigative reports and Gathering and maintaining evidence
- Working closely with other police officers and detectives
- Imaging & Hashing

#### What I Do. (VA&PT)

Analyzes and assesses vulnerabilities in the infrastructure (applications & networks), investigates available tools and countermeasures to remedy the detected vulnerabilities, and recommends solutions and best practices. Analyzes and assesses damage to the data/infrastructure as a result of security incidents, examines available recovery tools and processes, and recommends solutions. Tests for compliance with security policies and procedures. He may assist in the creation, implementation, and/or management of security solutions.

Understanding the architecture of Web application components such as Webserver, Application servers, Database servers and Data flow. And make the applications rigid and safe from threats.

#### Profile

Now-a-days the demand for Computer Digital Forensics & Ethical Hackers has increased. He used to give training for corporate companies & Department, schools and college students. Conducting seminars and workshops. He possess strong background knowledge of Computer Digital Forensics, Networking, Web Applications and Ethical hacking and current security protocols for popular operating environments, Understanding common cyber-attacks, eg., social engineering, phishing, identity theft, URL obfuscation, Trojans, insider attacks, etc.

#### Skills:

- Digital forensic, Email forensic
- Cyber Security
- Social Engineering
- Vulnerability Assessment & Penetration Testing
- Ethical Hacking
- IT Security
- Memory Forensics
- Malware Analysis
- Web application penetration testing
- Data analysis

## Mentor Talk: Cyber Security Essentials for Career

Date: November 3, 2018 Speaker: Haduri Krishna Designation: Security Researcher & Cyber Forensics Expert, Chaitanya Security

### Introduction

The Department of [Your Department Name] organized a mentor talk on "Cyber Security Essentials for Career" on November 3, 2018, featuring Mr. Haduri Krishna, a Security Researcher and Cyber Forensics Expert. The session aimed to educate students on cybersecurity fundamentals and career opportunities.

### Key Highlights

Mr. Krishna covered essential topics, including:

Cyber Threats – Malware, phishing, ransomware, and security risks.

Cyber Forensics – Investigating and analyzing cyber crimes.

Career Opportunities – Roles such as Ethical Hacker, Security Analyst, and Penetration Tester.

Certifications – Importance of CEH, CISSP, and CISM.

Cyber Hygiene – Safe internet practices and strong password management.

### Interactive Session & Conclusion

Students actively participated in the Q&A session, gaining insights into industry trends and ethical hacking. The talk provided valuable knowledge and inspired students to explore cybersecurity careers.

Dear Team,

Greetings from Bharat Institute of Engineering & Technology!!

As per the discussion of our last meet ,we may like to organize an Awareness Program on 30th Oct'18 at our campus.

Based on the feedback we may take the matter forward.  
Please confirm the same

## **Awareness Program On Emerging Technologies For Higher Studies**

The Awareness Program on Emerging Technologies for Higher Studies was organized to enlighten students about the latest advancements in technology and their relevance in higher education. The event aimed to provide insights into various technological domains, research opportunities, and career prospects in emerging fields.

**Date: 30/10/2018**

**Venue: BIET Auditorium**

**Target Audience: Final year Students**

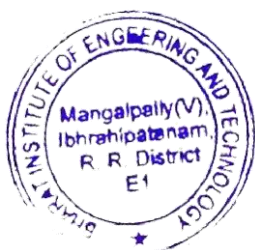

**Guest Speakers: K.V. SRINIVASA RAO, CLOUD INDOJO**

### **Key Highlights:**

- Emerging Technologies: Experts discussed cutting-edge technologies like AI, IoT, Blockchain, and Quantum Computing.
- Higher Education Opportunities: Guidance on research programs, scholarships, and university admissions.
- Industry Trends: Insights into the evolving job market and the role of emerging technologies.
- Interactive Session: Students engaged with experts through Q&A sessions.

### **Takeaways:**

- Awareness of trending technologies and their applications.
- Clarity on pursuing higher education in technology-driven fields.
- Guidance on career opportunities in research and industry.
- Motivation to explore interdisciplinary learning.
